Santa Barbara, CA

EDUCATION

University California, Santa Barbara

Bachelor of Science in Environmental Studies: Expected June 2025

Cumulative GPA: 3.49

Relevant Coursework: Conservation Biology; California Flora and Vegetation; Ecosystem Biodiversity; Ethnobotany

PROJECTS

California Kelp Density GIS Analysis, UCSB September 2024-December 2024

- Analyzed 11 years of kelp density data along the California coast, utilizing GIS tools to examine spatial and temporal trends in relation to marine district boundaries.

Industrial Ecology, UCSB

January 2024-March 2024

- Conducted comprehensive Life Cycle Assessments (LCA) to evaluate environmental impacts across product life cycles.

LEADERSHIP

Girl Scouts of America, Ventura County

Summer Camp Organizer and Leader | 2014 - 2020

- Developed and organized activities that established fundamental leadership skills for 165 girls and boys from the ages of five to eleven years old.

WORK EXPERIENCE

Environmental Educator, UCSB Cheadle Center

October 2024 - December 2024

- Led educational outdoor hikes, engaging junior high and high school students in discussions about oak woodlands, riparian corridors, and basic ecology. Organized and facilitated hands-on plant identification activities, helping students build practical knowledge of local flora.

Sales Associate at Mission Refill, Goleta

December 2024 - Present

- Efficiently process transactions, accurately ring up customers' purchases, receive/organize incoming packages, properly log supply into the store's inventory system, conduct full store inventory while inputting new stock to ensure availability, and providing excellent customer service.

Receptionist and General Office Worker, Berliner and Company, Westlake Village

June 2020 - August 2023

- Accurately entered tax data into the company's database, ensuring compliance with regulatory requirements and deadlines. Managed filing system, ensuring documents were organized and easily accessible for reference.

SKILLS

CPR and first aid training, ArcGIS, QGIS, Maridi, Rstudio, plant identification, off roading experience
